2006 New England Area Meetup!

In an effort to keep the momentum going from our 15-year reunion, our class kicked off our first regional meetup this past March at the Encore Hotel & Casino in Boston, MA. Whitney (Seitz) Traylor, Laura Okruhlik, Maraline (Mejias) and Dan Ferris, Nick and Brittany Hamm, Grant Wanier, and Ashley Pelzek joined the fun as we reacquainted with old and new friends for a night of laughter, delicious food, and old stories. We will be reaching out to the class shortly via email and social media to gauge interest for meet-ups in other regions, so stay tuned!
