 - Has done some groundwork and would be willing to do it (with Josh A's help)
 - Content:

- Connections: use it as a springboard outside of LinkedIn
 - Directory
 - Logos - who works where?
 - Click on the link and brings up who works there

 - 2006 entrepreneurs
 - Area chapters
 - Promote more regional get togethers
 - Class bylaws
 - Transparent posting of our accounting
- Class Gift
 - Tailgate: Spot 51 (Gate 6) - visitor's side, triangle spot of grass
 - Question: Does the Alumni Association have a list of what projects are available/preferable? Do we even have to buy within that list or can we "go rogue"?
- Fundraising options
 - Giving Tuesday
 - Class merchandise (high quality)

Treasurer

- I'll volunteer to lead the Class Incorporation effort if that's something we want to pursue.
 - Makes things a lot easier
 - Easier to cut a check if we want to send someone a donation, gift, etc.
 - Allows us to collect funds/reserves
 - Would also need an operating fund
 - Need a mission as a charitable entity
 - What do we want to do for this? Who do we want to be as the Class of 2006?
 - I.e., we have information on how the Class of 1956 went about this - could use that to mold ours
- I'd like to get a note out to the Class recapping the Reunion and provide a status on our Class account to support financial transparency.
 - Questions to be answered:
 - What does the class actually spend money on besides reunions?
 - Do we have to raise through the Alumni Association?

Secretary

- Transition assistance opportunities for soon-to-be civilian classmates
 - Weave this into the website idea from Josh A.
- Distinguished Grad Attendance
 - Brad being honored on Friday, March 25th

- Solicit representation from the class
 - Pass details on the event, room block, etc.
 - Adrienne to get additional details
- Minutes
