

On Saturday September 24th, 2022 our very own Thomas Ham married Ms. Catherine Craig of Chesapeake, Virginia. The ceremony was held at Christ & Saint Luke's Episcopal Church in the North Ghent Historic District of Norfolk, Virginia. Kathy planned a wonderful reception at the nearby Commune for friends and family to enjoy dinner and celebrate the new marriage. Accompanying Tom as groomsmen were CJ Slater ('06), Mike Farley ('06), Nathan Richard ('06), and Manny Ortiz. Never one to stay somewhere for consecutive orders, Tom is now working at the Defense Security Cooperation Agency while Kathy is enjoying exploring their new hometown of Alexandria and Washington, DC as she starts back to school pursuing a new career in psychology. Congratulations Tom and Kathy! **[2006#1 - insert photo here]**

Taking the “and government” part of the United States Naval Academy’s Mission seriously, Chris Deluzio (13th Company) is now serving as U.S. Representative to Pennsylvania’s 17th Congressional District. Please feel free to reach out to his office in DC or his local office in Southwestern Pennsylvania if you want to voice your opinion about getting Buffalo Chicken Sandwiches served more often in King Hall. **[2006#2 - insert photo here]**
