

Hello Custodians of Liberty! My fiancé Beth and I put down a deposit on a wedding venue in January 2020, thinking we'd be married by that summer. Fast-forward through the height of a pandemic, a lockdown puppy, a backyard ceremony, and our son Charlie (Class of 204x?), and we finally got the chance to celebrate in November 2022. **Drew Bishop** and **Joe Kennedy** (my 18th Company roommates) flew in from the East Coast, and **Celi Pitt** (a 25th Company Bearshark) and his wife Wynne came from California to partake in the festivities. We also got a chance to visit Red Rocks (the best music venue in the world) and enjoy some local Colorado microbrews. If anyone finds themselves heading to the Denver area, let us know and we'll get the guest bedroom ready for you!

Go Navy,
Travis Klempan

Hello Fellow Classmates!

Hope everyone is doing well! I am excited to share a life update from this past October - me and my husband tied the knot in front of a USNA-heavy crowd at the Old North Church in Boston, MA! We danced the night away at the Museum of Science with our dearest family and friends with members of 20th company, NWB, NWS, and some of the best USNA has to offer! Charlie and I now reside in Wayland, MA with our Australian Shepherd, so if anyone is in the Boston area, please reach out!

Beat Army,
Ashley (Pelzek) Ferguson
