

Agenda:

1. Class Gift Ideas
2. Shipmate Updates
3. Round Table

1. Class Gift

- a. We had a solid number of people submit [responses](#) to our class gift form, ~50% are in support of a 9/11 memorial
- b. Josh A spoke with VADM Buck prior to his departure and confirmed that there is no existing plan for a 9/11 memorial from another class and it would be a great idea. Thinks we are looking at ~\$200-500k for something like this which is squarely in our budgeting goal
 - i. 20-year reunion could be held during 9/11 weekend where we unveil the memorial during the parade
- c. Location options: Worden Field, Stribling (we are leaning towards two towers on Worden)
- d. Initial sketch from Josh

- i. Potential to have top 10 donors on a plaque to drive sponsorship
 - i. Class officers to contribute initially to drive fundraising effort
- f. Hang sign/banner at class football tailgates to promote fundraising - Ashley can get banner printed
- g. Long lead time and cost item will likely be design work so we should find someone to do that first
- h. Next steps:
 - i. Hire designer and get quote
 - ii. Email class with decision for gift to start fundraising
